

# FoldCat™ 375fc

## The Mean Green FoldCat™ for 1 or 2

The Mean Green FoldCat™ 375fc offers one or two anglers a stealth fishing machine that takes just 10 minutes to setup. It is still small enough and compact enough to be carried in a car trunk. This gives anglers the possibility to get to fishing locations other larger rigid boats could never get to. Light enough to be carried by 2 anglers from car to water easily.

Featuring Scotty™ rod holders that can also accommodate all other Scotty™ accessories, high strength raised oarlocks and oars that really propel the craft, a motormount that takes an electric or gas motor up to 3 hp, an optional casting bar that safely supports the fisherman yet allows full movement while fishing, pedestal swivel seats that sit you higher and a full deck that doesn't lose gear or fish when you drop something.

### Standard Features

- NMMA & CE Certified
- Patented Folding Frame™ (U.S. Patent 7,240,634)
